332	28	Making good neighbours	Detached houses/bungalows with large plots & 3/4 cars drive	
332	58	Type of home	Definitely no flats/apts	
342		General box	Development without infrastructure and facilities which are hugely needed to support; Wotton road is not straight - access dangerous; school too full; no public transport links; queue at M5 getting much worse; Station will be much worse; dog fouling - more bins needed;	
351	46	Quiet Lanes	Devils Lane should be 20mph	

343	General box		Don't let village become a town too busy and crowded. Make development interesting and of architectural merit. Sufficient parking is key. Create a village focal point. Don't underestimate the number of villagers who want to stay but need bigger plots- maybe self build	
351	32	Business dev	Don't need any of this for a village.	
334	25	Sites that should not be developed	East of railway on southern side - station road has inadequate access	
335	46	Quiet Lanes	Enforcement of speed limits	
343	27	Styles not wanted	Featureless boxes like Farm Lees Longs View Manor Lane
