I am writing to you as you may be affected by a traffic scheme in your area.

Following the closure of Frenchay Hospital, South Gloucestershire Council are implementing a scheme to review the current waiting restrictions in place.

The purpose of the scheme is to remove unnecessary waiting restrictions in the surrounding the area of the old hospital site. The initial consultation took place between 13<sup>th</sup> August to 3<sup>rd</sup> September 2018, and in light of the responses received, the second consultation will focus on requests made in the first consultation.

You can view the drawings and further details about the planned scheme online at [www.southglos.gov.uk/consultation](http://www.southglos.gov.uk/consultation) or by using the QR code below.

If you wish to comment on the scheme please respond by **28<sup>th</sup> January 2019** to have your say. To respond to the consultation and have your views taken into account, you must **complete the questionnaire**. The questionnaire can be completed online or if you do not have internet access please see below.

If you do not have access to the internet and wish to have a paper copy of all the information and questionnaire to complete, please request a copy by telephone or using the contact details below;
