Dear Sir/Madam,

Re: Consultation on the Council's proposed 4.44% increase to the current Table of Tariffs and Fares

The current Hackney Carriage and Private Hire Licensing Policy states that the Council will undertake an annual review of the Table of Tariffs and Fares. The Regulatory Committee has agreed on 31st January 2019 to consult on the proposed 'no change' to the Table of Tariffs and Fares.

After the full public consultation the approved Table of Tariffs and Fares will be agreed by the Regulatory Committee on 28th March 2019 and commence on 1st April 2019.

The Council will consider all responses made during the public consultation period before finalising and publishing the Table of Tariffs and Fares, as a service user your views are therefore sought.

The consultation period for the proposed Table of Tariffs and Fares commences on Wednesday 6th February 2019 and ends on Wednesday 20th February 2019. Your response or observations, in writing, should reach the Licensing Service by **no later than 23.59hrs on Wednesday 20th February 2019**.

A copy of the Council's proposed Table of Tariffs and Fares have been published on the Council's website:

https://consultations.southglos.gov.uk/consult.ti/Hackney_2019/consultationHome

Copies of the proposed Table of Tariffs and Fares can also be obtained on request at the Licensing office, Broad Lane, Yate, and through the Council One Stop Shops at Kennedy Way, Yate; Rodway Road, Patchway; and Civic Centre, Kingswood, and at South Gloucestershire Libraries. Internet access is available at the Libraries to view the consultation documents.

Should you have any further questions we advise that you contact a member of the Licensing Service on 01454 868001.

Yours faithfully

Nigel Riglar
Director for Environment and Community Services
