a) General – all four licensing objectives (b, c, d and e) (please read guidance note 11)

1. The event will take place within an enclosed area
2. For any ‘large event’ with over 2000 people in attendance an event management plan will be submitted to South Gloucester Council

b) The prevention of crime and disorder

1. Security and stewards manage the entrances
2. Security will monitor the bars (visually and on radio request by staff) and any attendees exhibiting socially disruptive behaviour due to alcohol consumption will be identified and may be asked to leave.
3. Security and stewards will be positioned in both static and roaming positions throughout the site. Security will be briefed to look for any suspicious activities that may lead to crime and disorder. Radios will be used between the management, security and stewards to ensure a line of contact at all times.
4. The event employs a “zero tolerance drugs” policy. Anyone suspected of using, or found dealing an illegal substance as defined in the Psychoactive Substances Act 2016 may be ejected from the premises and police may be notified.

c) Public safety

1. Agree an event safety plan with the relevant officers of South Gloucestershire Council.
2. Qualified professional medical and/or welfare providers will be employed for events over 2000 people.
3. The event risk assessment and fire risk assessment show how the event will minimise the risk from hazards associated with an event of this nature.
4. A clear incident response and evacuation plan will be in position should an incident occur on site.
5. Food traders will be required to provide full safety documentation before the event including information on registration with a local authority.
6. Information will be issued to all staff using radios on a card with a breakdown of which department is contactable on each channel. Traders will be checked that they have the appropriate level of public liability insurance.

d) The prevention of public nuisance

1. Residential properties nearby will be taken into consideration during planning.
2. For music focussed events a professional Acoustic Consultant and experienced sound engineer will monitor sound levels within the event to ensure sounds are kept at acceptable levels.
3. Qualified security will be employed to help ensure the prevention of public nuisance.
4. Neighbouring residents and businesses will be informed about any 'large events with the event date and times through a letter posted through their door.

e) The protection of children from harm

1. No children under the age of 16 shall be allowed on site unless accompanied by an adult.
2. Arrangements for any lost children shall be in place using Criminal Records Bureau checked staff.
3. All staff shall be trained regarding the law on sales of age restricted products to persons under the age of 18 using the SWERCOTS No Proof of Age No Sale training procedures.
