Dear Sir/Madam,

Bitton – Waiting Restriction Review

I am writing to you as you may be affected by a traffic scheme in your area.

Funding has been secured to carry out an area wide waiting restriction review for the Bitton ward.

Following meetings and site visits with the local councillor and a review of requests that have been received over a period of time, it is proposed to introduce waiting restrictions to alleviate obstructive and inconsiderate parking on various roads within the Bitton ward to improve safety and visibility for all road users and pedestrians.

It is therefore proposed to introduce double yellow lines to improve access and visibility issues on roads that have been identified and to introduce a 1 hour limited waiting bay on the A4175 access road.

The proposed scheme will also include the conversion of existing advisory white keep clear markings and a section of school keep clear markings to double yellow lines.

You can view the drawings and further details about the planned scheme online at www.southglos.gov.uk/consultation or by using the QR code below.

If you wish to comment on the scheme please respond by **4th June 2019** to have your say. To respond to the consultation and have your views taken into account, you must **complete the questionnaire**. The questionnaire can be completed online or if you do not have internet access please see below.

If you do not have access to the internet and wish to have a paper copy of all the information and questionnaire to complete, please request a copy by calling 01454 864673.

If in the meantime you require any further information or clarification, please contact me on the above number.

Yours faithfully,
