

## Statement of Reasons

### Haw Lane, Olveston – Proposed Footway Widening

#### Background

Requests have been made by the residents, the ward member and the Parish Council to widen the existing footpath across part of the grassed area of Orchard Rise, and create a safe point for pedestrians to cross near the junction with Haw Lane.

#### Proposed Scheme

The proposed scheme is to widen the existing footpath and provide a suitable refuge consisting of tactile paving to connect separate sections of existing footway to allow pedestrians to cross safely in between the bus stop and the junction with Haw Lane.

The following roads are affected by this scheme:

- Haw Lane
- Orchard Rise

#### Drawing Reference

Drawing number T422–104-002 shows the proposed footway and pedestrian crossing.

#### Timescale

Depending upon the result of the consultation, it is hoped that the proposed scheme will be implemented during the 2019/20 financial year.
