Dear Sir/Madam,

**Haw Lane, Olveston – Proposed Footway Widening**

I am writing to you as you may be affected by a traffic scheme in your area. Requests have been made by the residents, the ward member and the Parish Council to widen the existing footpath across part of the grassed area of Orchard Rise, and create a safe point for pedestrians to cross near the junction with Haw Lane.

The proposed scheme is to widen the existing footpath and provide a suitable refuge consisting of tactile paving to connect separate sections of existing footway to allow pedestrians to cross safely in between the bus stop and the junction with Haw Lane.

You can view the drawings and further details about the planned scheme online at [www.southglos.gov.uk/consultation](http://www.southglos.gov.uk/consultation) or by using the QR code below.

If you wish to comment on the scheme please respond by **3<sup>rd</sup> July 2019** to have your say. To respond to the consultation and have your views taken into account, you must **complete the questionnaire**. The questionnaire can be completed online or if you do not have internet access please see below.

If you do not have access to the internet and wish to have a paper copy of all the information and questionnaire to complete, please request a copy by telephone.

- **Telephone:** 01454 864539

If in the meantime you require any further information or clarification, please contact me on the above number.

Yours faithfully,
