Dear Sir/Madam,

**Bowsland Way, Bradley Stoke – Proposed Speed Table and Zebra Crossing**

I am writing to you as you may be affected by a traffic scheme in your area. Bowsland Way, Bradley Stoke, has a history of vehicles failing to stop at the current zebra crossing in between the junctions of Honeysuckle Close and Tresham Close. The objective is to reduce vehicle speeds on the approach to the zebra crossing and this will be achieved by installing a speed table.

You can view the drawings and further details about the planned scheme online at [www.southglos.gov.uk/consultation](http://www.southglos.gov.uk/consultation) or by using the QR code below.

If you wish to comment on the scheme please respond by **8<sup>th</sup> July 2019** to have your say. To respond to the consultation and have your views taken into account, you must **complete the questionnaire**. The questionnaire can be completed online or if you do not have internet access please see below.

If you do not have access to the internet and wish to have a paper copy of all the information and questionnaire to complete, please request a copy by telephone.

- **Telephone:** 01454 864539

If in the meantime you require any further information or clarification, please contact me on the above number.

Yours faithfully,
