Dear Sir/Madam,

A38 Alveston Church – Proposed Bus Stop Improvements (2nd Consultation)

I am writing to you as you may be affected by a traffic scheme in your area. Concerns have been raised by disabled users regarding the accessibility of the Alveston Church bus stops on the A38. An initial consultation was held between the 4th February and 25th February 2019 which proposed to move the Alveston Church Southbound stop 25m southwest and to raise the footway outside 3 Gloucester Road to improve accessibility of the crossing by removing the steps.

Based on feedback from the initial consultation, the decision was made to propose a second site for the bus stop (60m southwest of the current bus stop, outside of Sunnyhurst). The proposed second site is subject to the results of this consultation.

You can view the drawings and further details about the planned scheme online at www.southglos.gov.uk/consultation or by using the QR code below.

If you wish to comment on the scheme please respond by **18th June 2019** to have your say. To respond to the consultation and have your views taken into account, you must **complete the questionnaire**. The questionnaire can be completed online or if you do not have internet access please see below.

If you do not have access to the internet and wish to have a paper copy of all the information and questionnaire to complete, please request a copy by calling 01454 864215

If in the meantime you require any further information or clarification, please contact me on the above number.

Yours faithfully,
