Dear Sir/Madam,

Cossham Street – Proposed Raised Table

I am writing to you as you may be affected by a traffic scheme in your area. South Gloucestershire Council (SGC) is proposing to install a raised table on Cossham Street at the junction with Elmleigh Rd. SGC is also proposing to remove the tree on the Corner of Elmleigh Rd to make the footway more useable especially by pushchair/wheelchair users, subject to feedback from this consultation (in the event the tree is removed, South Gloucestershire Council will fund the planting of 3 new trees).

You can view the drawings and further details about the planned scheme online at www.southglos.gov.uk/consultation or by using the QR code below.

If you wish to comment on the scheme please respond by **21st June 2019** to have your say. To respond to the consultation and have your views taken into account, you must **complete the questionnaire**. The questionnaire can be completed online or if you do not have internet access please see below.

If you do not have access to the internet and wish to have a paper copy of all the information and questionnaire to complete, please request a copy by calling 01454 864215

If in the meantime you require any further information or clarification, please contact me on the above number.

Yours faithfully,

James Shearman
