I am writing to you as you may be affected by a traffic scheme in your area.

Requests have been received by residents in the Downend ward to review the current waiting restrictions. The purpose of this scheme is to implement additional restrictions where inconsiderate parking is an issue, remove unnecessary restrictions and address requests from residents to accommodate additional parking provisions.

As the Downend ward is a large area to cover, it has been agreed to split the review into 3 phases, (phases 1, 2 & 3) and this particular consultation is focusing on Phase 1.

If you wish to comment on the scheme please respond by 22nd October 2019 to have your say. To respond to the consultation and have

your views taken into account, you must complete the online questionnaire.

You can view the drawings and further details about the planned scheme online at [www.southglos.gov.uk/consultation](http://www.southglos.gov.uk/consultation) or by using the QR code below.

If you do not have access to the internet and wish to have a paper copy of the questionnaire or you would like further information or clarification, please telephone using the contact details overleaf.
