

ROAD TRAFFIC REGULATION ACT 1984

SOUTH GLOUCESTERSHIRE COUNCIL (FINCH ROAD AND HERON WAY, CHIPPING SODBURY) (PROHIBITION OF WAITING) (VARIATION) ORDER 202[-]

STATEMENT OF REASONS

Raysfield Primary School Area, Chipping Sodbury - Waiting Restrictions Review 2

Background

Funding has been secured in the Capital budget to review the current waiting restrictions in the area around Raysfield Primary School, Chipping Sodbury.

Inconsiderate parking is taking place in roads around Raysfield Primary School by residents and parents at the start and end of the school day. The demand for on-street parking and associated obstructive parking is causing access and visibility difficulties for local residents.

Following an earlier consultation, the Parish Council requested that the proposals on Heron Way should be extended further north beyond Finch Road than originally proposed.

Purpose of the scheme

To provide waiting restrictions to remove inconsiderate and often obstructive parking in Finch Road, Heron Way and Kingfisher Road.

Proposed scheme

It is proposed to revise the existing no waiting at any time restrictions (double yellow lines) to cover junctions and areas where traffic parking can reduce visibility and impact safety. The proposals include the conversion of existing advisory white keep clear markings, to no waiting at any time restrictions.

It is also proposed to revise the No Stopping waiting restrictions in Finch Road from No stopping, Monday to Friday, 8am - 5pm, to No stopping at any time.

Drawing reference

The proposed scheme is shown on plan T409-104-005.

The following roads are affected by this scheme: Finch Road, Heron Way and Kingfisher Road.
