## Bradley Stoke South – Baileys Court Primary School Waiting Restriction Review

### Purpose of Scheme

The purpose of this scheme is to improve the safety of school children and to make the advisory School Keep Clear (SKC) markings outside Baileys Court Primary School mandatory and enforceable.

### Proposed Scheme

It is proposed to modify the existing advisory SKC marking on the north side on Breaches Gate, outside Baileys Court Primary School, by re-locating and adjusting the length of the SKC marking which will be enforceable. It is proposed to completely remove the existing advisory SKC marking on the south side by replacing the marking with 'no waiting at any time' restrictions, such as double yellow lines.

Additional double yellow lines are also being proposed to replace the existing advisory white keep clear lines on Breaches Gate to help control the on street parking within the area due to a new policy where these markings will no longer be replenished.
