Bradley Stoke South – Meadowbrook Primary School Waiting Restriction Review

Purpose of Scheme

The purpose of this scheme is to improve the safety of school children and to make the advisory School Keep Clear (SKC) markings outside Meadowbrook Primary School mandatory and enforceable.

Proposed Scheme

It is proposed to completely remove the existing advisory SKC markings on both sides of Three Brooks Lane, with one new SKC marking being proposed directly across the school entrance which will be enforceable. The length of the existing advisory SKC marking on Crystal Way is to remain as it is, but will be made enforceable.

It is proposed to introduce 'no waiting at any time' restrictions, such as double yellow lines, at the identified locations to replace the existing advisory white keep clear lines due to a new policy where advisory keep lines will no longer be replenished and to ensure visibility can be retained for road users at these junctions.
