

Charfield Neighbourhood Plan – Notes on Consultation Responses

Response Number	Note
847295	The team thanks John Acton for responding. No action required.
848029	The team thanks Zoe James for responding. No action required.
848062	The team thanks Trevor James for responding. No action required.
848481	The team thanks K. Harris for responding. No action required.
848946	The team thanks Yvonne Kershaw for responding. No action required.
849730	The team thanks Kirsty Gibbs for responding. No action required.
851564	The team thanks James Warren for responding. No action required.
851685	The team thanks Ian Kershaw for responding. No action required.
854194	The team thanks Diana Baker for responding. No action required.
854387	The team thanks Raymond Holmes for responding. No action required.
855640	The team thanks The Gloucestershire Wildlife Trust for responding. No action required.
855645	The team thanks Mike Chinnick for responding. On the subject of Parking, standards are set by the NPPF; on the subject of Little Bristol Lane, this is a matter for S. Glos Council; on the subject of Health, this is a matter for the Bristol North Somerset South Gloucestershire Clinical Commissioning Group (BNSSGCCG). No action to be taken.
855654	The team thanks Jeanette Young for responding. No action required.
855659	The team thanks the resident for responding. No action required.
855674	The team thanks Victoria Kirkham – Natural England for responding. No action required.
855697	The team thanks Matt Verlander – Avison Young for responding. No action required.
855713	The team thanks Richard Bull – Environment Agency for responding. No action required.
855719	The team thanks David Stuart – Historic England for responding. No action required.
855731	The team thanks Oliver Lowe – Highways England for responding. No action required.
855763	The team thanks Hannah Gillett – Lichfields for responding. We note your comments in the included appendix and have decided that no amendments to the plan are necessary.
855772	The team thanks Christopher Telford – The Coal Authority for responding. No action required.
855782	The team thanks the Strategic Planning Policy and Specialist Advice Team – South Gloucestershire Council for responding. We note your comments in the included appendix and have amended our document appropriately. The amendments comprise minor wording changes only and do not require further consultation. The list of changes is described in Appendix 7 of the Neighbourhood Plan.
866416	The team thanks Gloucestershire County Council for their response. We note your comments on Transport, Libraries, and Education. Whilst very good points have been made that may affect future planning applications, we have decided not to amend the plan based on this feedback.
866434	The team thanks Andrew Ross – Turley for responding. We note your comments and have decided that no changes to the plan are necessary.
866444	The team thanks John Mills – Cotswold Conservation Board for responding. Whilst very good points have been made that may affect future planning applications, we have decided not to amend the plan based on this feedback.
