Dear Sir/Madam,

FRENCHAY – Beckspool Road Traffic Calming Review Consultation

I am writing to you as you may be affected by a traffic scheme in your area.

Developers of the former Frenchay Hospital site have recently installed traffic calming features on Beckspool Road, and concerns have been raised by residents and motorists to address the safety and effectiveness of the current features.

The proposed scheme is to install 5 speed tables that replicate the existing speed tables north of Beckspool Road, which will be supported by waiting restrictions to encourage free flowing traffic and allow parking. It is also proposed to install new wooden bollards to increase visibility.

You can view the drawings and further details about the planned scheme online at www.southglos.gov.uk/consultation or by using the QR code below.

If you wish to comment on the scheme please respond by **25th January 2021** to have your say. To respond to the consultation and have your views taken into account, you must **complete the questionnaire**. The questionnaire can be completed online or if you do not have internet access please see below.

If you do not have access to the internet and wish to have a paper copy of all the information and questionnaire to complete, please request a copy by telephone or using the contact details below;

- **Telephone:** 01454 864539

If in the meantime you require any further information or clarification, please contact me on the above number.

Yours faithfully,

Chloe Haimes
