Dear Mr Conroy

**South Gloucestershire Core Strategy – Planning for Future Development in South Gloucestershire (Dec 2011) - EIP –NPPF Changes to Policy CS9- Managing the Environment and Heritage**

I refer to the recent emails and phone calls with Rob Levenston concerning the details of the proposed changes to Policy CS9 in the light of the National Planning Policy Framework (NPPF).

English Heritage confirms that the new wording in CS9 (1) and the minor changes to the text in paragraphs 8.7 and 8.7a accords with the NPPF. We also understand the Core Strategy Glossary will be amended to provide definitions for “heritage asset” and “significance”.

Please feel free to contact me if there is any need to for further clarity on this matter.

Yours sincerely,

Caroline Power  
Historic Environment Adviser - Western Territory (South West)
