

Surplus Places in Thornbury Schools, July 2012

The information presented below gives the latest projections for primary school places in Thornbury. This information updates the information shown in the December 2011 Sustainability Appraisal Report (Examination Library ref: PS3).

The graph below sets out the numbers on roll and the number of unfilled places for the primary phase schools in Thornbury. It shows that in 2011 there are 1009 pupils on roll and 233 places are unfilled (19% of places are surplus). A similar number of places are projected to be unfilled over the next five years. The number of places unfilled in each of the years is equal to a 210 place primary school.
