**MATTER 10 – DISTRIBUTION OF ECONOMIC DEVELOPMENT LAND,  
SAFEGUARDED AND NON-SAFEGUARDED EMPLOYMENT SITES – POLICIES CS11,  
CS12 & CS13**

1. Is the amount of employment land provision sufficient to support the economic growth of the sub-region over the plan period?

Communities in North Bristol could potentially benefit from economic opportunities in this new development and we would like opportunities for employment development to be maximised in this Core Strategy and the potential benefits for neighbouring authorities to be acknowledged.
