Subject: Morton Way

Dear Sir/Madam

I would like to add my protest to the potential development of the fields on Morton Way, I feel that an extra 300 houses is far in excess to the needs of Thornbury. The road system will have enough problems coping with with the extra traffic from the Park Farm development, Morton Way will become a 'Rat Run', and an extra junction will be positively dangerous

I also feel that it would be only just the beginning and that in a few years all of Morton Way will be developed and Thornbury will become a sprawling mass. Morton Way is a natural boundary and should be used to preserve the natural beauty that surrounds us.

I feel that the decision of the elected Town Council should be respected.

Yours sincerely

Peter Withers
