Subject: Proposed housing on Morton Way

Please pass these comments on to the Inspector before 7 March. Thanks.

There is no way the people of Thornbury want any houses on the green fields alongside Morton Way. Once building starts there, it will not stop at 300 and soon it will develop along the whole length of Morton Way and all the way up to the A38. The floodgates will be opened. Leave our fields alone. We do not want any new houses in Thornbury at all, but we probably can't stop the Park Farm site now. We certainly do not want or need any more on top of that. Morton Way forms a natural boundary to the town. Are you trying to ruin a small market town by over development?

Also, how dare non Thornbury councillors make such a contentious decision about a town they don't live in, talk about behind closed doors. How backhanded was that?

Preserve Morton Way as it is.

Sue Rogers
