Dear Kath Thorne

I am writing to you about the proposal of building yet more houses on Norton Way Thornbury.

As I have stated to you in earlier correspondence Thornbury town is large enough for the facilities it has. The roads in and around Thornbury cannot take any more traffic neither can the A38. By building more houses you are destroying what people come here to enjoy.

Thornbury is an historic town. Please leave it as it is. Go to Yate, Bradley Stoke, Hengrove, Emerson Green, Longwell Green with more houses. Not Thornbury. It is a town in its own right. Please leave in that way.

If you wanted people to use  
the shops in Thornbury then you  
should not have allowed a multi shopping  
mall only a few miles from our  
town to have been built.

Please I ask you to re-consider  
your proposals.

Yours sincerely
