Dear Madam,

**Re: Housing Development at Morton Way**

Who would be able to afford the purchase of these houses when so many people are already unable to afford getting on the property ladder?

Would new residents shop locally? I doubt it; therefore there would be little benefit to the local economy.

Schools and other services would not be able to accommodate another influx and parking in the town is almost at its limit, thus deterring visitors from coming here, which would also have an even bigger impact on local shops.

Yours faithfully,

  
Mrs. L.M. Rennison
