Dear Miss Thorne,

I understand you are the officer dealing with the application to put 300 houses off of Morton Way.

Whilst I accept the fact that the Council have already agree to having the 500 houses at Park Farm, I certainly do not accept the need to open up that extensive parcel of land to the East of Morton Way up to the junction with Gloucester Road. This would constitute an unacceptable increase in the number of houses scheduled to be built in Thornbury.

What seems to be frequently forgotten is the need to ensure adequate facilities in the area including roads, highways and education facilities.

Whichever group of South Gloucestershire Councillors agreed to this extension appears to be ignoring the facts I have just put before you.

I feel it is important to point out to SG Council the fact that before any work is undertaken on the Park farm development something should be done to ease the likely traffic problems at the junction at the top of Butt Lane. I hope you would put my views when this matter is next discussed at council.

Thank you for your kind consideration

Yours sincerely

Brian Watkins.
