**Subject:** RE: South Gloucestershire Core Strategy update  
**Dear Kath Thorne**

**Please register the following comments from my Parish Council:**

**Frampton Cotterell Parish Council welcomes the fact that the Inspector has determined not to include Woodlands Farm in the Further Main Modifications to the South Gloucestershire Core Strategy. The Council believes that the character and value of this accessible open countryside to the communities of Frampton Cotterell and Westerleigh, particularly those parishioners with restricted mobility, cannot be overstated.**

**Many thanks,**

**Kieran Warren BA,ACIS**  
Clerk to Frampton Cotterell Parish Council

**Subject:** South Gloucestershire Core Strategy update

Dear Sir/Madam

This message relates to the South Gloucestershire Core Strategy Examination. The Inspector has been made aware of two items which were published last week and on which he is inviting comment. The first relates to the Secretary of State's intention to place an Order revoking the South West Regional Strategy; the second covers the recent release of CLG household projections for the period 2011-2021. Further details can be found on the Council's website via the link [here](#).

Kind regards

3196129

Kath Thorne  
Programme Officer  
South Gloucestershire LDF- Core Strategy Examination
