SOUTH GLOUCESTERSHIRE COUNCIL
PEDESTRIAN CROSSING ACROSS JENNER BOULEVARD, EMERSONS GREEN

STATEMENT OF REASONS

Jenner Boulevard, Mangotsfield Rural Parish

Proposed Signal-controlled Pedestrian and Equestrian (Pegasus) Crossing

Background

The above-mentioned scheme was approved at the PTSE Committee meeting on the 26th March 2014, Capital Programme Scheme No. D21/2013. This scheme is implemented and funded under a Section 38 Agreement with SGC and the housing developer.

Purpose of Scheme

To provide a safe, controlled pedestrian, cycle and equestrian crossing of Jenner Boulevard in the form of a signal-controlled Pedestrian and Equestrian (Pegasus) Crossing.

Proposed Scheme

The installation and implementation of:

- One Pegasus Crossing

To be installed on Jenner Boulevard at a point approximately 92 metres east its junction with Feynman Way.
