See over for more details
The council and its partners are trying to make South Gloucestershire a place where all children and young people have the best possible start in life.

We are keen to get the views of as many parents as possible so that we can plan future services to help parents and other people who have caring responsibility for a child.

We welcome your comments on the draft Parenting Support Strategy for South Gloucestershire. You give your views in three ways:

1. By viewing the summary document and completing the online questionnaire available at: www.southglos.gov.uk/parentingsupportstrategy

2. By requesting a paper copy of the Parenting Support Strategy Summary and completing the paper or telephone questionnaire. Please call the Children and Young People Information Service 01454 868008.

3. By picking up a copy of the Summary at your local library or Sure Start Children’s Centre. If you would like to know the address, please call 01454 868008.

This consultation is open until 20 February 2008.
