# **Local Green Space Consultation – June 2015 Response Form**

Your name / organisation:
Bitton Parish Council
Address and contact details (please include phone number & email address):
Clerk
In order to be able to proceed with the protection of the green spaces that have been put forward for designation as Local Green Spaces we <u>must</u> have for each space:  • details of the ownership of the land (if at all possible)  • a map of the boundaries  • an explanation of how it meets the criteria for designation and  • specific justification for why it is demonstrably special to the local community
Therefore please <u>first</u> check the List of Nominated Local Green Spaces and maps which can be viewed at: <u>www.southglos.gov.uk/lgsd15</u> which identifies where further information on any of the above is still needed and then provide us with the additional information where necessary using this form:
PLEASE USE A SEPARATE FORM FOR EACH GREEN SPACE
Name and code of nominated space:  Please clearly reference the individual Local Green Space's code provided in both the List of nominated Local Green Spaces and the maps, available form <a href="https://www.southglos.gov.uk/lgsd15">www.southglos.gov.uk/lgsd15</a>

the	guidance note	)								

No.			

2. Is the proposed space the subject of an allocation, or proposal to allocate, for development in the Local Plan? (See Criteria 2 in the guidance note)

<u>No.</u>

3. Is the proposed space an extensive tract of land and is it local in character? (See Criteria 3 in the guidance note)

Neither site is extensive. The North Street site is 1.8ha and the Redfield Hill site is 0.135ha. Both are adjacent to local housing. All plots are fully let, illustrating the demand for allotments and their particular appeal to local residents.

4. Is the space within close proximity to the community it serves? (See Criteria 4 in the guidance note)

Yes. The North Street site is surrounded by houses on all sides (North Street, Noble Avenue, Batley Court). The Redfield Hill site is adjacent on three sides by houses in Redfield Hill, the fourth being the Aitchison playing field.

5. Is the specific space demonstrably special to the local community? e.g. not a blanket designation (see Criteria 5 in the guidance note)

Yes. These are the only two sites designated as allotment gardens in the parish. All plots are let, showing the demand for plots.

## D) Why is the space of particular local significance?

<u>Please use the following response box to provide specific evidence as to how at least one of the following criteria is relevant:</u>

Please state which criterion, 6-11, are relevant to the nominated space. Table 2 of the Local Green Space Designation Updated Guidance Note (June 2015) <a href="www.southglos.gov.uk/lgsd15">www.southglos.gov.uk/lgsd15</a> provides further details on the criteria and guidance on what sort of information you may wish to submit to justify how the space is of particular local significance and demonstrably special to the community that use it:

- 6. The proposed space is of particular local significance because of its beauty
- 7. The proposed space is of particular local significance because of its historic significance
- 8. The proposed space is of particular local significance because of its recreational value
- 9. The proposed space is of particular local significance because of its tranquillity
- 10. The proposed space is of particular local significance because of its richness of wildlife
- 11. The proposed space is of particular local significance because of another reason not covered by criteria 6-10.

Criteria 8, 9 and 10 apply for the North Street site.

It is an allotments site with 80+ plots. All are currently leased to tenants by Bitton Parish Council and are actively worked. It is an oasis of calm. It is a haven for wildlife: a few years ago we had a vixen and two fox cubs in a den on the site. We have worked with the Avon Reptile and Amphibian Group to survey the slow-worm population there and established a hibernaculum. We have set aside one section of the site as a managed wildlife area. Each year pupils from Cherry Garden Primary School visit the site and are shown where their food comes from, how it is grown and are encouraged to plant something (with the cooperation and support of tenants).

Criteria 8, 9 and 10 apply for the Redfield Hill site.

It is an allotments site with 11.5 plots. All are currently leased to tenants by Bitton Parish Council and are actively worked. Being a small site the tenants particularly know each other and co-operate and collaborate in working their plots. On the opposite side of Redfield Hill from the site and the houses are open fields in the Green Belt and behind it is the Aitchison playing field. The site is a haven for wildlife. The margins are left uncultivated to encourage suitable habitat. In the winter, deer have been seen on the site, helping themselves to some of the produce.
