Friends Group:- The Friends of Hanham Hall Park - based in Hanham, they deal with the preservation and conservation of the park as a tranquil local haven. Also promotion of habitat for leisure and educational purposes.

It caters for the disabled as it has a small car park with half the area dedicated to blue badge holders.

Please also see D below.

D) Why is the space of particular local significance?

Please use the following response box to provide specific evidence as to how at least one of the following criteria is relevant:

Please state which criterion, 6-11, are relevant to the nominated space. Table 2 of the Local Green Space Designation Updated Guidance Note (June 2015) www.southglos.gov.uk/lgsd15 provides further details on the criteria and guidance on what sort of information you may wish to submit to justify how the space is of particular local significance and demonstrably special to the community that use it:

6. The proposed space is of particular local significance because of its beauty
7. The proposed space is of particular local significance because of its historic significance
8. The proposed space is of particular local significance because of its recreational value
9. The proposed space is of particular local significance because of its tranquillity
10. The proposed space is of particular local significance because of its richness of wildlife
11. The proposed space is of particular local significance because of another reason not covered by criteria 6-10.

Criteria 6, 8, 9, & 10:-

Valuable open recreational and play area widely used by public. Affords valuable views of Hanham Hills. Any development would have serious financial implications for properties in Gover Road.

As the wooded area and wild flowers that grow here seem to be improving/maturing, this space should be designated due to its beauty, recreational value, tranquillity and richness of wildlife. Always plenty going on here with children in the park, lovely wild flowers and well managed field area.

Very well used as a dog walking area.

Criteria 11:- The long grass in this space is cut to make hay for the animals of Grimsbury Park Farm
