In order to be able to proceed with the protection of the green spaces that have been put forward for designation as Local Green Spaces we must have for each space:

- details of the ownership of the land (if at all possible)
- a map of the boundaries
- an explanation of how it meets the criteria for designation and
- specific justification for why it is demonstrably special to the local community

Therefore please first check the List of Nominated Local Green Spaces and maps which can be viewed at: www.southglos.gov.uk/lgsd15 which identifies where further information on any of the above is still needed and then provide us with the additional information, where necessary, using this form:

If you are the landowner and wish to support or object to any of the spaces being nominated, please use this form to tell us how the space does or does not meet the criteria, by completing the questions below.

PLEASE USE A SEPARATE FORM FOR EACH GREEN SPACE

Name and code of nominated space: LGSD749

Please clearly reference the individual Local Green Space's code provided in both the List of nominated Local Green Spaces and the maps, available from www.southglos.gov.uk/lgsd15

) Ownership of Local Green Space

Please indicate if you or your organisation are the landowner/leaseholder:
Landowner

As the land owner / leaseholder, are you aware of the proposal to designate your land?

We were not given notice of the proposal and only came about it by chance

Are you in support of or objecting to the proposals to designate this land?

Objecting

If you are objecting to the proposals to designate your land, what are your reasons? (Please refer to criteria in sections C and D below in particular)

) Map of proposed Local Green Space

PLEASE PROVIDE A MAP WHICH SHOWS THE BOUNDARIES OF THE PROPOSED LOCAL GREEN SPACE

If not previously provided. Please see List of Nominated Local Green Spaces and Mapped, nominated Local Green Spaces to check if this is required.

www.southglos.gov.uk/lgsd15

IF YOU ARE THE LANDOWNER PLEASE PROVIDE A MAP OF YOUR OWNERSHIP

This is particularly important if this differs from the area proposed for designation e.g. if you own only part of the proposed Local Green Space, see the mapped, nominated Local Green Spaces:

www.southglos.gov.uk/lgsd15

) Does the space meet the national criteria for designation as a Local Green Space? It meets none of the criteria set out in numbers 6 to 11

Please provide a response to each of the following 5 criteria - where information has not already been provided or is incorrect in the List of nominated Local Green Spaces. (Table 1 of the Local Green Space Designation Updated Guidance Note (June 2015) www.southglos.gov.uk/lgsd15 provides further details of the criteria and guidance on what sort of information you may wish to submit):

1. Is the proposed space subject to a planning permission for development? (See Criteria 1 in the guidance note)

2. Is the proposed space the subject of an allocation, or proposal to allocate, for development in the Local Plan? (See Criteria 2 in the guidance note)

3. Is the proposed space an extensive tract of land and is it local in character? (See Criteria 3 in the guidance note)

4. Is the space within close proximity to the community it serves? (See Criteria 4 in the guidance note)

5. Is the specific space demonstrably special to the local community? e.g. not a blanket designation (see Criteria 5 in the guidance note)

) Why is the space of particular local significance?

Please use the following response box to provide specific evidence as to how at least one of the following criteria is relevant:

Please state which criterion, 6-11, are relevant to the nominated space. Table 2 of the Local Green Space Designation Updated Guidance Note (June 2015) www.southglos.gov.uk/lgsd15 provides further details on the criteria and guidance on what sort of information you may wish to submit to justify how the space is of particular local significance and demonstrably special to the community that use it:

- 6. The proposed space is of particular local significance because of its beauty
- 7. The proposed space is of particular local significance because of its historic significance
- 8. The proposed space is of particular local significance because of its recreational value
- 9. The proposed space is of particular local significance because of its tranquillity
- 10. The proposed space is of particular local significance because of its richness of wildlife
- 11. The proposed space is of particular local significance because of another reason not covered by criteria 6-10.

- 6 - The area in question is bordered by a dual carriageway and a housing estate and is not an area of outstanding natural beauty or in a conservation area
- 7 - The land is made up of waste from the building of the dual carriageway so has no historic significance in the form of old buildings and structures or ancient trees and hedges
- 8 - The land is not crossed by footpaths and is not used by the public for recreation of any sorts
- 9 - The area in question is bordered by a housing estate and dual carriageway given its position and the

prevailing weather direction mean that it is never quiet.

10 - The area in question is bordered by a housing estate and dual carriageway all planting on the site trees, hedges and grass are under 20 years old.

If you are objecting to the nominated space, please provide details of how the space might not meet these criteria.

Please return completed forms by close of business on 21st August 2015
