

Local Green Space Consultation – June 2015 Response Form

Your name / organisation:

IRON ACTON PARISH COUNCIL

Address and contact details (please include phone number & email address):

[Redacted address and contact details]

In order to be able to proceed with the protection of the green spaces that have been put forward for designation as Local Green Spaces we must have for each space:

- details of the ownership of the land (if at all possible)
- a map of the boundaries
- an explanation of how it meets the criteria for designation and
- specific justification for why it is demonstrably special to the local community

Therefore please first check the List of Nominated Local Green Spaces and maps which can be viewed at: www.southglos.gov.uk/lgsd15 which identifies where further information on any of the above is still needed and then provide us with the additional information where necessary using this form:

PLEASE USE A SEPARATE FORM FOR EACH GREEN SPACE

Name and code of nominated space:

Please clearly reference the individual Local Green Space's code provided in both the List of nominated Local Green Spaces and the maps, available from www.southglos.gov.uk/lgsd15

Chill Wood - Despite this area being submitted previously as one for designation, it seems to have been amalgamated with LGSD175, which is an entirely separate area. SGC's records should show this. This needs a new LGSD code.

A) Ownership of Local Green Space

Please indicate if you or your organisation are the landowner:

Yes

If you are not the landowner can you provide their name and contact details?

N/A

Is the land owner aware of the proposal to designate their land?

Yes

(If you are not the landowner please now continue to Section B)

If you are the landowner, are you in support of or objecting to the proposals to designate this land?

Yes, Iron Acton Parish Council supports this application

If you are objecting to the proposals to designate your land, what are your reasons? (please refer to criteria in sections C and D below in particular)

B) Map of proposed Local Green Space

PLEASE PROVIDE A MAP WHICH SHOWS THE BOUNDARIES OF THE PROPOSED LOCAL GREEN SPACE

If not previously provided. Please see List of Nominated Local Green Spaces and Mapped, nominated Local Green Spaces to check if this is required. www.southglos.gov.uk/lgsd15

IF YOU ARE THE LANDOWNER PLEASE PROVIDE A MAP OF YOUR OWNERSHIP

This is particularly important if this differs from the area proposed for designation e.g. if you own only part of the proposed Local Green Space, see the Mapped, nominated Local Green Spaces: www.southglos.gov.uk/lgsd15

C) Does the space meet the national criteria for designation as a Local Green Space?

Please provide a response to each of the following 5 criteria - where information has not already been provided or is incorrect in the List of nominated Local Green Spaces. (Table 1 of the Local Green Space Designation Updated Guidance Note (June 2015) www.southglos.gov.uk/lgsd15 provides further details of the criteria and guidance on what sort of information you may wish to submit):

1. Is the proposed space subject to a planning permission for development? (See Criteria 1 in the guidance note)

No

2. Is the proposed space the subject of an allocation, or proposal to allocate, for development in the Local Plan? (See Criteria 2 in the guidance note)

No

3. Is the proposed space an extensive tract of land and is it local in character? (See Criteria 3 in the guidance note)

Not extensive, but local in character

4. Is the space within close proximity to the community it serves? (See Criteria 4 in the guidance note)

Yes, accessible from both ends of the village with access within ¼ mile via public footpaths one of which is the Frome Valley Walkway.

5. Is the specific space demonstrably special to the local community? e.g. not a blanket designation (see Criteria 5 in the guidance note)

Yes.

D) Why is the space of particular local significance?

Please use the following response box to provide specific evidence as to how at least one of the following criteria is relevant:

Please state which criterion, 6-11, are relevant to the nominated space. Table 2 of the Local Green Space Designation Updated Guidance Note (June 2015) www.southglos.gov.uk/lgsd15 provides further details on the criteria and guidance on what sort of information you may wish to submit to justify how the space is of particular local significance and demonstrably special to the community that use it:

6. The proposed space is of particular local significance because of its beauty
7. The proposed space is of particular local significance because of its historic significance
8. The proposed space is of particular local significance because of its recreational value
9. The proposed space is of particular local significance because of its tranquillity
10. The proposed space is of particular local significance because of its richness of wildlife
11. The proposed space is of particular local significance because of another reason not covered by criteria 6-10.

6. The area is formed of a limestone outcrop immediately adjacent to the River Frome. It is a designated Ancient Woodland set in a beautifully tranquil location.

7. There is evidence of ancient defensive ditches around the outcrop which suggests that the area may be the first settlement in what was to become the parish of Iron Acton. It is in close proximity, and visible from Algars Manor and Algars Mill which are both Grade II Listed Buildings.

8. Permissive paths exist through the woods which are used extensively by residents of the village and dog walkers and ramblers for leisure, exercise and walking. Local children have used it for many decades for outdoor recreational play.

9. Access is via public footpath only. Its relative remoteness from main roads and its location next to the tranquil River Frome enhance its inherent peaceful ambiance.

10. Because of its ancient woodland status it has become a haven to local wildlife of all sorts ranging from badgers, deer, foxes and smaller mammals through to owls, buzzards, kingfishers and insects of all varieties.

11. The previous application indicated a *“beautiful rural area full of charm, situated along*

the Frome Valley Walkway. A housing development here would spoil the feel and character for all those who enjoy walking the paths next to and near to the river. Leisure amenity for surrounding houses”.
