

Landowner/leaseholder - Local Green Space Engagement – November 2015 Response Form

Your name / organisation:

[Redacted]

Address and contact details (please include phone number & email address):

[Redacted]

In order to be able to proceed with the protection of the green spaces that have been put forward for designation as Local Green Spaces we must have for each space:

- details of the ownership of the land (if at all possible)
- a map of the boundaries
- an explanation of how it meets the criteria for designation and
- specific justification for why it is demonstrably special to the local community

Therefore please first check the List of Nominated Local Green Spaces and maps which can be viewed at: www.southglos.gov.uk/lgsd15 which identifies what information we have relating to the above.

If you are the landowner and wish to support or object to any of the spaces being nominated, please use this form to tell us how the space does or does not meet the criteria, by completing the questions below.

PLEASE USE A SEPARATE FORM FOR EACH GREEN SPACE

Name and code of nominated space:

Please clearly reference the individual Local Green Space's code provided in both the List of nominated Local Green Spaces and the maps, available from www.southglos.gov.uk/lgsd15

LGSD216 Land at Frogmore House (formerly Moons Close)

A) Ownership of Local Green Space

Please indicate if you or your organisation are the landowner/leaseholder:

Landowner

As the land owner / leaseholder, are you aware of the proposal to designate your land?

I am now, but there was NO contact from SGC, I only found out by accident in the pub!
Not a great way to have a 'consultation' with landowners.

Are you in support of or objecting to the proposal to designate this land?

Object

If you are objecting to the proposal to designate your land, what are your reasons? (Please refer to criteria in sections C and D below in particular)

It does not meet the criteria, see answers below.

B) Map of proposed Local Green Space

Please see List of Nominated Local Green Spaces and Mapped, nominated Local Green Spaces to check if this is required. www.southglos.gov.uk/lgsd15

IF YOU ARE THE LANDOWNER PLEASE PROVIDE A MAP OF YOUR OWNERSHIP

This is particularly important if this differs from the area proposed for designation e.g. if you own only part of the proposed Local Green Space, see the mapped, nominated Local Green Spaces: www.southglos.gov.uk/lgsd15

C) Does the space meet the national criteria for designation as a Local Green Space?

Please provide a response to each of the following 5 criteria - where information has not already been provided or is incorrect in the List of nominated Local Green Spaces. (Table 1 of the Local Green Space Designation Updated Guidance Note (June 2015) www.southglos.gov.uk/lgsd15 provides further details of the criteria and guidance on what sort of information you may wish to submit):

1. Is the proposed space subject to a planning permission for development? (See Criteria 1 in the guidance note)

No

2. Is the proposed space the subject of an allocation, or proposal to allocate, for development in the Local Plan? (See Criteria 2 in the guidance note)

No

3. Is the proposed space an extensive tract of land and is it local in character? (See Criteria 3 in the guidance note)

No

4. Is the space within close proximity to the community it serves? (See Criteria 4 in the guidance note)

It is within the village of Marshfield, but there is no public access, there is a high wall and nobody has ever expressed any interest in walking over or using the land. It is simply a garden.

5. Is the specific space demonstrably special to the local community? e.g. not a blanket designation (see Criteria 5 in the guidance note)

Not special at all.

D) Why is the space of particular local significance?

Please use the following response box to provide specific evidence as to how at least one of the following criteria is relevant:

Please state which criterion, 6-11, are relevant to the nominated space. Table 2 of the Local Green Space Designation Updated Guidance Note (June 2015) www.southglos.gov.uk/lgsd15 provides further details on the criteria and guidance on what sort of information you may wish to submit to justify how the space is of particular local significance and demonstrably special to the community that use it:

6. The proposed space is of particular local significance because of its beauty
7. The proposed space is of particular local significance because of its historic significance
8. The proposed space is of particular local significance because of its recreational value
9. The proposed space is of particular local significance because of its tranquillity
10. The proposed space is of particular local significance because of its richness of wildlife
11. The proposed space is of particular local significance because of another reason not covered by criteria 6-10.

If you are objecting to the nominated space, please provide details of how the space might not meet these criteria.

The land is only a private garden, always has been.

No building is intended or indeed allowed.

There is a wall surrounding the garden, nobody has ever used the space or asked to use it.

The Parish Council have not requested the land be marked as a LGS

Therefore there is no reason to include this land in these provisions.

Also SGC have made no contact with the landowner and so the consultation in this case has been ineffective.

Please return completed forms by close of business on 18th December 2015
