In order to be able to proceed with the protection of the green spaces that have been put forward for designation as Local Green Spaces we must have for each space:

- details of the ownership of the land (if at all possible)
- a map of the boundaries
- an explanation of how it meets the criteria for designation and
- specific justification for why it is demonstrably special to the local community

Therefore please first check the List of Nominated Local Green Spaces and maps which can be viewed at: [www.southglos.gov.uk/lgsd15](http://www.southglos.gov.uk/lgsd15) which identifies where further information on any of the above is still needed and then provide us with the additional information where necessary using this form:

### PLEASE USE A SEPARATE FORM FOR EACH GREEN SPACE

#### Name and code of nominated space:

Please clearly reference the individual Local Green Space's code provided in both the List of nominated Local Green Spaces and the maps, available from [www.southglos.gov.uk/lgsd15](http://www.southglos.gov.uk/lgsd15)

Daggs Allotments are the oldest in the country and are, therefore, a significant part of Thornbury's history. They are a great asset to the town and there is always a waiting list for plots. The existence of the allotments encourages home cultivation and plays an important part in the environmental sustainability of the town.
