## C) Does the space meet the national criteria for designation as a Local Green Space?

Please provide a response to each of the following 5 criteria - where information has not already been provided or is incorrect in the List of nominated Local Green Spaces. (Table 1 of the Local Green Space Designation Updated Guidance Note (June 2015) [www.southglos.gov.uk/lgsd15](http://www.southglos.gov.uk/lgsd15) provides further details of the criteria and guidance on what sort of information you may wish to submit): Yes

#### **D) Why is the space of particular local significance?**

Please use the following response box to provide specific evidence as to how at least one of the following criteria is relevant:

Please state which criterion, 6-11, are relevant to the nominated space. Table 2 of the Local Green Space Designation Updated Guidance Note (June 2015) [www.southglos.gov.uk/lgsd15](http://www.southglos.gov.uk/lgsd15) provides further details on the criteria and guidance on what sort of information you may wish to submit to justify how the space is of particular local significance and demonstrably special to the community that use it:

6. The proposed space is of particular local significance because of its beauty
7. The proposed space is of particular local significance because of its historic significance
8. The proposed space is of particular local significance because of its recreational value
9. The proposed space is of particular local significance because of its tranquillity
10. The proposed space is of particular local significance because of its richness of wildlife
11. The proposed space is of particular local significance because of another reason not covered by criteria 6-10.

The proposed space is of particular local significance because:

It is in the Tormarton Conservation Area and Cotswolds AONB.

It is especially beautiful because it is bordered on the eastern, northern and western perimeters by mature trees and a line of a dozen or more broad leaf trees was planted on this site about 10 years ago. This area is bordered on three sides by well maintained Cotswold dry stone walls, which further enhance the aesthetic value of this setting.

It provides very attractive views from an open space in the centre of the village.

It is next to a Grade 11 listed building (Tormarton Court) and a nearby Grade 1 listed church.

This space has significant recreational value since in addition to its intrinsic beauty it is regularly used by locals and National Trail walkers who value the tranquillity of this space whilst walking along the public footpath (The Cotswold Way, LTO/8) that bisects the area.

A hollowed out area of approximately 10 metres in diameter is thought to have been the site of former quarry workings. The date of these workings is unknown.
