Subject: Local green space designation westerleigh
Attachments: filename-1.pdf

Dear lucy Paffett please find attached a map of where the logger steps are actually located, I'm still having problems with my Internet at home and have been unable to download the reply forms, I also did not receive the forms you sent in the post. I am in disagreement the the locations of both the green space designation on my land, LGSD 434 AND LOGGER STEPS LGSD 435
