

## Local Green Space Consultation – June 2015 Response Form

Your name / organisation:

YATE TOWN COUNCIL

Address and contact details (please include phone number & email address):

[Redacted address and contact details]

In order to be able to proceed with the protection of the green spaces that have been put forward for designation as Local Green Spaces we must have for each space:

- details of the ownership of the land (if at all possible)
- a map of the boundaries
- an explanation of how it meets the criteria for designation and
- specific justification for why it is demonstrably special to the local community

Therefore please first check the List of Nominated Local Green Spaces and maps which can be viewed at: [www.southglos.gov.uk/lgsd15](http://www.southglos.gov.uk/lgsd15) which identifies where further information on any of the above is still needed and then provide us with the additional information where necessary using this form:

### PLEASE USE A SEPARATE FORM FOR EACH GREEN SPACE

#### Name and code of nominated space:

Please clearly reference the individual Local Green Space's code provided in both the List of nominated Local Green Spaces and the maps, available from [www.southglos.gov.uk/lgsd15](http://www.southglos.gov.uk/lgsd15)

**B) Map of proposed Local Green Space**

**PLEASE PROVIDE A MAP WHICH SHOWS THE BOUNDARIES OF THE PROPOSED LOCAL GREEN SPACE**

If not previously provided. Please see List of Nominated Local Green Spaces and Mapped, nominated Local Green Spaces to check if this is required. [www.southglos.gov.uk/lgsd15](http://www.southglos.gov.uk/lgsd15)

**IF YOU ARE THE LANDOWNER PLEASE PROVIDE A MAP OF YOUR OWNERSHIP**

This is particularly important if this differs from the area proposed for designation e.g. if you own only part of the proposed Local Green Space, see the Mapped, nominated Local Green Spaces: [www.southglos.gov.uk/lgsd15](http://www.southglos.gov.uk/lgsd15)

**C) Does the space meet the national criteria for designation as a Local Green Space?**

Please provide a response to each of the following 5 criteria - where information has not already been provided or is incorrect in the List of nominated Local Green Spaces. (Table 1 of the Local Green Space Designation Updated Guidance Note (June 2015) [www.southglos.gov.uk/lgsd15](http://www.southglos.gov.uk/lgsd15) provides further details of the criteria and guidance on what sort of information you may wish to submit):

1. Is the proposed space subject to a planning permission for development? (See Criteria 1 in the guidance note)

No

2. Is the proposed space the subject of an allocation, or proposal to allocate, for development in the Local Plan? (See Criteria 2 in the guidance note)

No

3. Is the proposed space an extensive tract of land and is it local in character? (See Criteria 3 in the guidance note)

Yes

4. Is the space within close proximity to the community it serves? (See Criteria 4 in the guidance note)

Yes

5. Is the specific space demonstrably special to the local community? e.g. not a blanket designation (see Criteria 5 in the guidance note)

YES . PLEASE SEE ATTACHED .

**D) Why is the space of particular local significance?**

Please use the following response box to provide specific evidence as to how at least one of the following criteria is relevant:

Please state which criterion, 6-11, are relevant to the nominated space. Table 2 of the Local Green Space Designation Updated Guidance Note (June 2015) [www.southglos.gov.uk/lgsd15](http://www.southglos.gov.uk/lgsd15) provides further details on the criteria and guidance on what sort of information you may wish to submit to justify how the space is of particular local significance and demonstrably special to the community that use it:

6. The proposed space is of particular local significance because of its beauty
7. The proposed space is of particular local significance because of its historic significance
8. The proposed space is of particular local significance because of its recreational value
9. The proposed space is of particular local significance because of its tranquillity
10. The proposed space is of particular local significance because of its richness of wildlife
11. The proposed space is of particular local significance because of another reason not covered by criteria 6-10.

These spaces are essential green spaces within the urban environment of Yate. Loss of any of these spaces would have a severe detrimental impact on residents of Yate in respect of their recreational and visual significance.

Many if not all have a designation under existing policies that give them some protection, however, recent indications from central government that local authorities will be forced to sell off public land for development makes it even more important that these spaces should be saved.
