DATA PROTECTION:

The information collected as part this consultation will also be used by the Council (and its delivery partners) in accordance with the data protection principles in the Data Protection Act 1998. The purposes for collecting this data are: to assist in plan making and project development; and to contact you, if necessary, regarding the consultation process. Your response may be made public as it will form part of the evidence base used to inform the decision making process, however personal information will be removed prior to any publication. The above purposes may require public disclosure of any data received, in accordance with the Freedom of Information Act 2000.
