

# Policies, Sites and Places Plan – Call for Sites Response Form

This form should only be used by landowners and developers that are promoting a site for inclusion in the PSP Plan.

Comments are invited on the issues set out in paragraphs 19.1 – 22.2 of the PSP Plan Regulation 18 Consultation document in respect of the suitability, availability and achievability of potential housing sites. The purpose of these questions is to gauge potential preparedness to engage constructively in a possible planning application process, likelihood of achieving policy compliant schemes and early delivery of dwellings.

Comments related to the general methodology and process should be set out on the response form for the Regulation 18 Consultation document, available online: [www.southglos.gov.uk/PSPconsultation](http://www.southglos.gov.uk/PSPconsultation)

Please note that freedom of Information regulations mean that the Council cannot treat any information supplied confidentially.

### 3. PROPOSED FUTURE USES AND CAPACITY

Please indicate if the proposal is for 100% residential or a mixed use scheme (and if so the intended proportions and respective capacity of each use.)

**Residential 100%**

Please state how your proposal is proportional to the existing size and character of the settlement. E.g. % increase of existing settlement (Demographic data on existing settlement size is set out in the Rural Villages and Settlements Topic Paper (2015))

**This would bring the settlement boundary in uniform with the buildings on opposite side**

Please state how your proposal will address/contribute to the community aspirations established during previous consultation rounds of the PSP Plan and listed at Appendix 2 of the November 2015 PSP Plan consultation document

**No extra housing has been built within the village for many years meaning local younger people have had to move out of the area in which they grew up. This would release building plots for self build.**
