

Supporting People to Live Well: Dementia, Carers and Falls Prevention

Have your say on three important draft local strategies that will set out how the local health and care system can better support people at times of greatest need:

- Dementia Strategy
- Understanding and supporting the needs of carers: The Carers Strategy
- Falls Prevention and Bone Health Strategy.

Visit www.southglos.gov.uk/consultation or turn over for the other ways you can take part in these consultations and help shape the future direction of support for older people and carers of all ages in South Gloucestershire.

How you can get involved and have your say on

‘Supporting People to Live Well’

You can read the **Carers Strategy, Dementia Strategy and Falls Prevention and Bone Health Strategy** consultation documents online and complete surveys to tell us what you think about them:

- Online: **www.southglos.gov.uk/consultation**
- For details of events running locally, to tell us your views or request paper copies of the documents call **01454 868408** or email **consultation@southglos.gov.uk**
- Write to: **FREEPOST Plus RTCT-JXLE-EETT, South Gloucestershire Council, Corporate Research & Consultation Team, Supporting People to Live Well Consultation, Civic Centre, High Street, Kingswood, BRISTOL BS15 9TR**
- Further information is also available from your local **South Gloucestershire Library and One Stop Shop**.

We also want to hear from young carers and adults under the age of 50 with caring responsibilities what they think our priorities should be.
