The Council has responded positively to my representation (Ref. ID 120/1) and has now proposed to designate the Open Space between Amberley Way and Burleigh Way, Wickwar as a Local Green Space.
Designation of this space as a Local Green Space is consistent with the NPPF.
Its area is such that the construction of housing here would make no meaningful contribution to the overall South Gloucestershire housing needs. Conversely, its loss for housing or any other development would be a significant detriment to the local community.
