Dear ██████████

### **Policies, Sites and Places Plan Main Modifications Consultation (June 2017)**

Thank you for your consultation on the above, dated 12 June 2017, which was received by Natural England on the same date.

We have considered the Main Modifications to the Proposed Submission Policies, Sites and Places Plan June 2016, alongside the Sustainability Appraisal (SA).

It is our advice, on the basis of the material supplied with the consultation, that, in so far as our environmental interests are concerned (including but not limited to statutory designated sites, landscapes and protected species, geology and soils), that there are unlikely to be significant environmental effects from the proposed plan modifications.

We would be happy to comment further should the need arise but if in the meantime you have any queries please do not hesitate to contact us.

For any queries relating to the specific advice in this letter only please contact me on ██████████  
For any new consultations, or to provide further information on this consultation please send your correspondences to ██████████

Yours sincerely
