To Whom it May Concern,

## Objection to Main Modifications Consultation

I am writing on behalf of members of Dodington Parish Council – they wish to see the reinstatement of Local Green Space designation on LGSD672 Wapley Common.

Dodington Parish Council are both the nominator of this space and the landowner, as such no other landowner should be affected.

We have been in touch with officers from South Gloucestershire Council to clarify the boundary of ownership and would support an amendment to the boundary so the space can be designated for the reasons that we stated previously upon nomination.

If you have any queries – please don't hesitate to contact me.

Many Thanks,

Yours Sincerely

*Hannah Saunders*
