BOVIS HOMES SITE, GLOUCESTER ROAD, THORNBURY**

Dear [REDACTED]

I have been asked to make representations on behalf of Mr Gerald Burroughs who is the owner and occupier of [REDACTED] a Grade II\* listed building.

It would appear from the Bovis Homes website that their proposed residential development will materially impact on the setting of [REDACTED]. Accordingly any application put before your authority should therefore include a full heritage impact assessment in accordance with national guidelines.

I should be grateful if you would please place this letter of objection onto the relevant file.

Yours sincerely

NIGEL CANT
