Dear Sir/Madam,

Easter Compton & Pilning – Proposed Traffic Calming and Reduction of Speed Limits

Concerns have been raised by members of the public, Parish Councils and local Councillors regarding traffic speeds on the B4055 in Easter Compton, Pilning and in between the two villages. Concerns have also been raised about the anticipated increase in volume of through traffic upon completion of the new M49 junction. Therefore South Gloucestershire Council are proposing to amend the speed limits in and between Easter Compton and Pilning and install a combination of speed tables and speed cushions to reduce traffic speeds.

You can view the drawings and further details about the planned scheme online at www.southglos.gov.uk/consultation or by using the QR code below.

If you wish to comment on the scheme please respond by **24th December 2018** to have your say. To respond to the consultation and have your views taken into account, you must **complete the questionnaire**. The questionnaire can be completed online or if you do not have internet access please see below.

If you do not have access to the internet and wish to have a paper copy of all the information and questionnaire to complete, please request a copy by calling 01454 864215.

If in the meantime you require any further information or clarification, please contact me on the above number.

Yours faithfully,
