

Public Consultation on the use of Woodleaze in Yate as a Young Person's Housing Scheme

South Gloucestershire Council is exploring how former Woodleaze care home, located on Station Road in Yate, can be best used as a Young Persons' Housing Scheme. We are keen to use feedback from local residents and organisations to help us develop how the scheme will work and what it can achieve.

This survey will take no more than five minutes to complete and will help inform the Council in deciding how to improve the local offer for care leavers whilst delivering value for money to taxpayers.

To have your say, please complete our survey by **Monday 11th March 2019**
