Dear Sir/Madam,

**A38 North of Falfield – proposed 40mph speed limit**

I am writing to you as you may be affected by a traffic scheme in your area. A report summarising a Review of Speed Limits on A and B roads in South Glos in 2010 recommended changes to the speed limit on a number of roads including this section of the A38. Recent speed monitoring recorded average speeds of 42.4mph, which supports the introduction of a 40mph speed limit. Funding has been secured for this scheme in the 2018-19 Capital Programme.

You can view the drawings and further details about the planned scheme online at [www.southglos.gov.uk/consultation](http://www.southglos.gov.uk/consultation) or by using the QR code below.

If you wish to comment on the scheme please respond by **11<sup>th</sup> February 2019** to have your say. To respond to the consultation and have your views taken into account, you must **complete the questionnaire**. The questionnaire can be completed online or if you do not have internet access please see below.

If you do not have access to the internet and wish to have a paper copy of all the information and questionnaire to complete, please request a copy by calling 01454 863601.

If in the meantime you require any further information or clarification, please contact me on the above number.

Yours faithfully,
